California State Licensing Board Issues?

As you may already know, our lobbyists Eddie Bernacchi and Bret Barrow from the Politico Group provide our members with a voice in California legislative issues.

However, you may not know about another value added benefit you have through Politico Group: **access to a liaison to the California State Licensing Board (CSLB).**

Beverly Carr of Politico is available as an expert on licensing issues and can help you in start-to-finish licensing with the CSLB, including if you need to change or add an additional classification with the CLSB.

To get started, please reply to this email.
