The updated MLA reflecting all language changes is not yet available. When it is, we will forward it to the membership and post it on our website [here](#).

Cal OSHA Proposes Significant Amendments To COVID Emergency Temporary Standards

On May 7, 2021, Cal/OSHA posted new proposed amendments for its Covid-19 emergency temporary standards. (<https://www.dir.ca.gov/oshsb/documents/COVID-19-Prevention-Emergency-txtcourtesy-Readoption.pdf>)

The proposed amendments will be considered and likely adopted by the Cal/OSHA Standards Board when it meets on May 20, 2021. It is considered unlikely that the Board will change or reject any of the proposed amendments which means these amendments will pass and possibly go into effect as early as the end of May.

Proposed changes are in regards to exclusion from work, outbreaks and testing, physical distancing, N-5 respirators, testing of symptomatic employees, and more.

Governor's Executive Order N-84-20 and Updated Guidance from the Department of Public Health

On May 13th, the Center for Disease Control (CDC) updated its guidance for fully vaccinated individuals. The new guidance identified circumstances in which fully vaccinated individuals do not have to wear face coverings, including indoors. However, fully vaccinated individuals must still comply with federal, state, local, or workplace guidance for face coverings. Earlier in the month, the CDC also issued guidance easing outdoor mask requirements in non-crowded gatherings or when gathering with other vaccinated individuals.
