

## WPCCA 2021 LEGISLATIVE OVERVIEW

WPCCA had a very effective legislative session pursuing industry legislation and achieved success in many areas, including; broadening awareness and access to industry apprenticeship programs; clarification on the validity of the use of a responsible managing employee for contractor state licensing purposes; preservation of the construction trucking and hauling safe harbor provisions related to independent contracting; and extensions to the required use of a skilled and trained workforce on public works projects.

## SUPPORT A GOOD CAUSE

Every year, struggling families look to our affiliate partner, El Nino Community Center, to help give their kids a better holiday experience.

As you know, we usually host an annual WPCCA holiday event with a toy drive for the children of the El Nino Community Center. This year, due to COVID-19 restrictions, we will not be hosting our event. However, we still want to give back to our community partner as much as possible.

So, WPCCA has pledged to contribute \$1,500 to this toy drive initiative, and we're asking our members and affiliates to consider making a financial donation as well. All funds will be used to buy toys for the children in need.

If you'd like to donate, please respond to this email with your pledge amount by
