

PRIVATE WORK ADDENDUM FEEDBACK - EVENT & SURVEY (COMMERCIAL CONTRACTORS)

Members,

We recently reached a tentative agreement that will be voted on this Saturday, 1/22. To view the details of this tentative agreement, [click here](#).

Part of this agreement includes a private work addendum that will allow commercial contractors to use a tiered system of lower rates for certain private work. Before we finalize this addendum, we'd appreciate feedback from our commercial contractors regarding how this might work best for you.

Please join us over lunch to provide feedback regarding this addendum.

Date: Wednesday, February 2, 2022

Time: 11:30am PST

Location: Old Ranch County Club – 3901 Lampson Ave, Seal Beach, CA 90740

RSVP is required. To RSVP, please respond to this email.

If you're unable to make this meeting, we've created a brief 3 minute survey that contains three (3) questions for your feedback on the private work addendum. We know your time is valuable and we appreciate your efforts and information.

The Court ruled to block implementation of the ETS because a majority of the Court found that OSHA had exceeded its authority in enacting the emergency rule.
