Keep Making Your Voice Heard - Support Financial Relief for the Costs Associated with Supplemental Paid COVID Leave

We continue the fight in Sacramento to secure tax relief related to the costs associated with providing Supplemental Paid COVID Leave, and grassroots advocacy is a key component to this effort. The simple message is that the Governor and Legislature should provide a reimbursable tax credit to California's union signatory contractors because the COVID paid leave law unfairly hits our industry the hardest.

Due to the fast pace of news cycles, we need to keep a spotlight on this issue. Governor Newsom and your state representatives need to hear from you. If you haven't done so already, please send a pre-formulated [email](#) today, and if you have, send it again! Be sure to also share on Twitter when prompted by the advocacy page.
