Intumescent Coating Training with Sherwin-Williams

In collaboration with Sherwin-Williams, FTI of DC36 would like to invite all interested contractors to their Slauson Facility for Fireproofing Intumescent Applicator Training, focusing on their Fire-Tex Training as part of a continued effort to ensure their members are thoroughly trained with the most up-to-date products and techniques to ensure efficiency and success in the field.

This is the last intumescent applicator training event for this year. The same training will be provided on two dates. Companies are welcome to attend one or both days.

1. Tuesday, August 15, 2023
2. Wednesday, August 16, 2023

Event starts at 8:00 AM

Training will take place from 9:00 AM - 4:00 PM and a break for lunch at 11:30 AM.

The address for the training is *7020 Slauson Ave Commerce, CA 90040.*

Reimbursement for the time your employees will be away from work to attend this training may be available through the Industry Advancement Fund, upon request from LMCC. This is to not be confused with the regular 8-hour intumescent training the offered by the apprenticeship. Only trainings hosted by manufacturers may be eligible for reimbursement. Pastries, coffee, and other beverages will be provided at the event.

To RSVP or for more information, please contact *David Lopez* at **(626)727-2811** or **dlopez@jatc.org**. Please be sure to specify which date you will attend or if you will be attending both days.

Brunch Break

Time: 10:30am – 11:30pm PST | **Location:** Old Ranch Country Club – 3901 Lampson Ave, Seal Beach, CA 90740

Join us in an opportunity to get to know your fellow WPCCA members for brunch at the beautiful Old Ranch Country Club in Seal Beach! This event will feature a presentation by Molly Burns, Environmental Affairs Manager at Dunn-Edwards, who will provide environmental updates on Net Zero, PFAS, LEED certification requirements and how AIA's new Materials Pledge takes LEED a step further. **[Click Here for More Information.](#)**

*RSVP required. To RSVP, please email Rowanne Khafagy at **rkhafagy@thewpcca.com***

Past Event: Construction Contracts 101 Webinar Series

In July, we held our Construction Contracts 101 Webinar Series presented by Peter Ryan, Esq. and Aaron Flores, Esq., partners at FloresRyan, LLP. This presentation provided an overview of construction contracts and payment remedies involved with public works and private works. Part 1 highlighted public works remedies while part 2 focused on change orders, Mechanics Liens and bond claims when engaging in private works.

Attendees - we would like to get your feedback on this event. To complete the survey for Part 1 on Public Works Remedies, [Click Here](#). For Part 2 on Private Works Remedies, [Click Here](#).

Presentation materials and recording are now available. To view the webinar recording, please email Rowanne Khafagy at rkhafagy@thewpcca.com

Past Event: Environmental Updates Presentation

On August 22, Molly Burns, Environmental Affairs Manager at Dunn-Edwards provided a presentation on Environmental Updates during our brunch break at Old Ranch Country Club. In this presentation, Ms. Burns highlighted recent updates regarding VOC regulations and how they affect building requirements. She also discussed the LEED certification requirements, CA Plastic Reduction Act, PFAS regulations and Net Zero Goals. Presentation slides are now available. If you have any questions regarding the information presented, please contact Molly Burns at molly.burns@dunnedwards.com.
